- REFERENCE: 1. Memorandum for the DD/S fr the Special Assistant for Vietnamese Affairs dated 29 September 1969, subject: Records Storage Space at the Records Center at [] (DD/S 69-4459)
2. Memorandum for Special Assistant for Vietnamese Affairs fr DD/S, subject: Records Storage Space [] (DD/S 69-4511 - not sent)

1. Mr. Coffey called Wednesday afternoon, 15 October, to say that he had talked with George Carver about Mr. Carver's request for special storage arrangements for SAVA records which he would like to send to the Records Center. I called Mr. Carver and [] and I met with him in his office at 4 o'clock the same afternoon. Mr. Carver was not committed to any particular solution to his records storage problem but was interested ~~in~~ only in being satisfied that his highly sensitive records could be adequately protected. We suggested the very simple expedient of sealing the boxes and labeling the outside with a restriction which would prevent them from being opened by anyone other than SAVA personnel. He accepted this suggestion readily and we left it that the details would be worked out between his people, the Executive Registry and the Records Center.
